

New Year's Eve in Levi & Rovaniemi, Santa Claus' Village

Descriptions

Day 1: Chalkida - Athens - Rovaniemi

Gathering at Eleftherios Venizelos Airport and flight to Rovaniemi. Arrival in the capital of Finnish Lapland and transfer to the Arktikum Museum. It is the center of Arctic history, with exhibits through which we will learn about the history, culture, and way of life of the Lapps, as well as the entire Arctic. Lunch follows and transfer to our hotel. Check-in to the rooms, dinner and overnight stay.

Day 2: Rovaniemi (Santa Claus Village – Snowman World – Santa Park)

Breakfast at the hotel and transfer to Santa Claus Village, right on the "imaginary" Arctic Circle, where we will have the opportunity to talk to him, take photos and maybe express a wish! The first stop in Santa's village is, of course, his "Office," where a group of happy elves welcomes people and invites them inside for a little chat and a photo with the Father of Christmas. The "Santa Claus Post Office" is equally popular, where his little helpers read the Christmas wishes of millions of children from all over the world. Even if you've left your childhood behind many decades ago, you can't help but be tempted to send your friends a Christmas card with the authentic Santa Claus stamp! At the post office, you will also find a wide variety of Christmas souvenirs. Those who want to can visit the Santa Park Christmas amusement park, which is an exciting choice for our little friends. Follow a visit to SnowmanWorld to admire the unique ice and snow sculptures and participate in activities such as ice skating, snowboarding lessons, snow sculpting, and ice slides. Then we'll enjoy a hot meal at the one-of-a-kind IceRestaurant, right on the Arctic Circle and next to Santa Claus. Late in the afternoon, transfer to the hotel. Dinner and overnight stay at our hotel in Rovaniemi.

Day 3: Rovaniemi – Levi

Breakfast at the hotel, check-out and free time for a last stroll in Rovaniemi. Later, we will board our luxurious coach to be transported to Levi. Stop for lunch along the way. Arrival at Levi and check-in to our rooms. Levi is actually the name of the hill, while the town-village itself is called Sirkka. However, the name Levi has prevailed for the entire area. This ski resort has developed so much in recent years that it is considered one of the top and most popular in Finland. It hosts the largest events, competitions and ski demonstrations (especially during the holiday season), several nightclubs, and excellent restaurants and beautiful hotels in a concentrated area with short distances between them. Levi's well-known skiing action takes place on the famous and state-of-the-art slopes of the hill, with various types of lifts being the main feature. Dinner at the hotel restaurant and overnight stay!

Day 4: Levi (Snowmobile Safari – Husky Farm)

Breakfast at the hotel, and today we will wear special equipment and follow the instructions of the local leaders to participate in an exciting snowmobile safari. In Lapland, the long period of snow and the natural paths make this sport irresistible! We will follow a route through areas of wild natural beauty, forests, frozen lakes and over difficult snow surfaces and frozen rivers. Arrival at the husky farm. The wonderful and lovable Siberian and Canadian huskies are waiting impatiently at the farm where we will have the opportunity to hear stories from their caretakers. Then, we will take a sled ride after being given technical instructions for our safety by the specialized leaders (in English). Sledding, a traditional means of transportation from the Siberian region, will be an unforgettable experience for all of us. We will enjoy a light meal with coffee, tea, or hot juice around the fire. Return to the hotel. In the afternoon, we will relax at the LeviSpa spa in the hotel, doing sauna, swimming, exercising, or hammam. In the evening, we will be transferred to the traditional Lapland restaurant, which is built on the banks of the Ounasjoki River, 8 kilometers from the center of Levi and deep in the snowy Lapland landscape. Upon arrival, we will welcome you with a welcome drink! Santa Claus will arrive with his sled and his faithful reindeer to give gifts to the children. We will take photos with him, and then we will have dinner at the rich Christmas buffet. This New Year's Eve will be etched in everyone's memory for a long time. (**See Notes for the Snowmobile Safari).

Day 5: Levi (Snow Village – Reindeer Farm)

Festive breakfast at the hotel. Departure early in the afternoon for the reindeer farm, where we will pet and feed Santa's beautiful four-legged animals and have the pleasure of driving a reindeer sleigh through the forest. We will enjoy an "excursion" lunch around the fire with coffee, tea, or hot juice. Immediately after, we will depart for SnowVillage. About a thousand trucks every year, towards the end of November, transport snow and ice in order to build the village, with a different way and design each time. It covers an area of approximately 7,500 square kilometers with restaurants, bars, a hotel, a lobby, various buildings, and sculptures, all made only of snow and ice. Return to the hotel, buffet dinner at the hotel's restaurant. Overnight.
