

## Saint Theodora - Vasta, Arcadia

### ***Excursion itinerary***

We depart at 6:30 AM from Chalkida with an intermediate stop for coffee and rest, we arrive at the Cave of Kapsia, one of the 10 most remarkable caves in Greece. The cave proves to be a record of geological events. A large flood has left certified traces on it. Lanterns, tools, dolichopods, and bone fragments that tell the story of survival come to light from the depths of the earth. Explosive colors, red, yellow, and blue create a work of art of unparalleled beauty created by nature itself. Then we head to the heart of the plain of Ancient Mantinea and specifically to Agia Fotini. This special church is the creation of a talented architect who combines elements of ancient Greek heritage with Christian tradition. Free time for pilgrimage.

Finally, we head to the chapel of Saint Theodora, known as the 'Wonderful Little Church,' and has become internationally known as one of the strangest chapels in the world. The amazing and completely bizarre thing about Saint Theodora is that, although it is a small stone church, it has 17 oak trees sprouting from its roof. Their roots are nowhere to be seen: the visitor only sees trunks and branches. Free time and stay for food.

In the afternoon, we head back home, filled with endless photographic material from the magic of every step, capturing an unforgettable travel experience...
