24 MAY 2025

Excursion program

We depart at 07:00 from Chalkida with our established coffee stop for the beautiful South Pelion. Our first stop is Vizitsa, which apart from being a traditional settlement is perhaps one of the most photographed villages on the mountain of the Centaurs. Its mansions dominate imposingly on both sides of the cobblestone streets, they are two-storey and you have certainly seen them in typical photographs of the area. A trademark of this beautiful village of Pelion is the square and so is the Vizitsa Women's Agrotourism Cooperative "Esperides". Here the ladies of the village prove in creative ways that anyone who wants to move forward and develop (even in the mountain) finds ways! Here we will have free time to enjoy local sweets. Continuing our route Outside the village we will see a bench, this is a must-see spot for a photo, since here you will feel like you are on the wing of an airplane, we will take photos and continue towards MILIES. A village absolutely synonymous with Pelion... As a manor village. Here there is and we will visit the famous library of Milies with rare historical material of the Greek Revolution, the Folklore Museum and the church of the Pammegiston Taxiarches which was built during the Ottoman Empire, in a period when Christianity was banned. . The big surprises, however, are inside the church. In the pronaos we will observe in the frescoes the "Zodiac Circle", the "Wheel" of human life, that is, a subject absolutely unlikely to be encountered in an Orthodox holy church. .Continuing we will walk along its cobblestone streets and get off at the Station, where the legendary Moutzouris ends. and we will visit a small Museum of Memories. Its walls are filled with stories of Moutzouris from when people's lives hung from its windows. Stay to see its awesome arrival and in what unique way the train drivers rotate its engine with their own hands, in order to prepare it for the return. Here we will have lunch and have time to enjoy nature! It's time to visit beautiful Volos!!! The sea creates a wonderful coastal front with picturesque shops among them and the famous tsipouro bars, we will walk along the coastal avenue of Argonauts with the stunning view of the open sea, it is the most popular spot. We will enjoy our coffee and make our way back where in the late afternoon we will make a stop in Chalkida...
