

SYNEVROS THEME PARK

Excursion program

We depart at 07:30 in the morning from Chalkida with our established coffee stop. We continue to the Synevros Theme Park, Area Synest, in Akrata. In this area, the fairy tale becomes reality. The Synevros Theme Park offers a complete relaxation experience through contact with nature, at the entrance of the park we are greeted by running waters that end in the lake with goldfish, water lilies. Ducks and mallards. We will see the rabbit village with peacocks and rabbits, the pigeon corner, the chicken coop, the parrot pavilion, the greenhouses with flowers, the traditional cafe, the large lake of the park in the shade of the large plane trees, the Glass Art Hall with textiles and paintings and of course the hotel. We will continue our wander through the theme park and discover buildings of older architecture, which revive the traditional life of the Armenians, such as the Folklore Museum of Area Synest, where we will visit and see traditional costumes and household utensils. Continuing our wander, we will find guiding signs that will help us discover the points that interest us. We will be able to browse the Park's shop, where we will find traditional products, handmade decorations and works of art. Also, in the open-air Café, an old wagon that was lovingly converted, we will enjoy our coffee or even a beautiful dessert. The park in Synevros truly looks like a dream that excites young and old. Here we will have free time to enjoy our meal and indulge in the fairy-tale town. Then early in the afternoon we will take the road back to beautiful Chalkida with fairy-tale and fairytale memories.
