

BANSKO

Excursion Program

Day 1: Chalkida - Bansko

We depart from Chalkida at 4 a.m. The journey lasts approximately 8 hours, including 2-3 intermediate stops for rest and coffee breaks. After crossing the border at Promachonas, we arrive at our final destination, the famous Bansko!

We'll check into our hotel, which will host us with luxury amenities throughout the trip. The town is an excellent winter getaway where you can enjoy your favorite sport, as it boasts one of the best and most organized ski resorts in Europe.

What makes Bansko a must-visit winter destination is the perfect combination of relaxation, skiing, and luxury services.

Overnight stay.

Day 2: Bansko City sightseeing

After breakfast, we will get to know the town of Bansko. The town combines natural beauty, traditional architecture, and modern comforts. We will visit the Bansko Ski Resort.

The ski resort in Bansko is the most famous in Bulgaria and has become popular with both locals and tourists. There are slopes for all levels (from beginners to advanced), with modern lifts and stunning views of the surrounding mountain areas.

Next, we will explore the old town of Bansko, which retains its traditional atmosphere, with charming narrow streets, old houses, and churches. Especially around Dojtsko Square and the Church of St. Stephen, visitors can see classic Bulgarian architecture and experience the charm of the local culture.

Free time in the afternoon. Dinner and overnight stay.

Day 3: Bansko-Plovdiv (Optional)

After we finish our breakfast, we will depart for a trip to Plovdiv. The old town of Plovdiv is full of history and traditional architecture, with cobblestone streets and charming 19th-century houses. Walking through the narrow alleys, you will find many traditional taverns and small shops selling local products. Our first stop will be the Ancient Theatre of Plovdiv: it is the largest ancient theater in Bulgaria, built by the Romans in the 2nd century AD, and you can watch performances there, especially in the summer.

Next, we will visit the Church of St. Kyriaki and the Basilica of St. John the Baptist. Both are impressive religious sites in the city, radiating a sense of ancient wisdom. The city is full of history dating back to the Roman, Ottoman, and Byzantine periods, so we will also make sure to admire the Plovdiv Archaeological Museum, where you will find exhibits from various eras, while the Archaeological Site includes the ruins of Roman and Byzantine buildings.

Lunch and return to Bansko for overnight stay. Alternatively, enjoy a full day at the ski resort with snow play and hot drinks and experience unforgettable moments of relaxation!

Day 4: Bansko-Sandanski-Chalkida

After we finish our breakfast and check out, we will depart from Bansko and make a stop at Sandanski. Sandanski is famous

for its natural thermal springs, which have healing properties. Here, we will enjoy a relaxing spa bath and benefit from the therapeutic effects of the warm waters. Afterwards, we will have lunch at a local tavern and then begin our journey back, carrying memories of snowy landscapes.
