

## Malta... Escape to the land of knights

### ***Excursion itinerary***

#### Day 1: Chalkida - Athen - Malta

Gathering at the airport and flight to Malta. Arrival and we will immediately depart for the hotel. Room delivery and free time. In the evening, accompanied by the leader, we will have the opportunity to dine or have a drink at the shops in the hotel area.

#### Day 2: Malta (City Tour)

Breakfast and departure for Valletta where we will take a walking tour. The famous capital of the Order of the Knights of St. John is overflowing with history and beauty that make us bow before their undeniable prestige. Walking through it, the unique castle town will reveal its strong points: From the Baracca Gardens with panoramic views of the Grand Harbour, to the Palace of the Grand Master, the imposing palace that is considered one of the most representative examples of the architecture that characterizes the city, our tour is full of unsurpassed, enigmatic beauties. Of course, we couldn't miss the city's most prominent landmark, the historic church of St. John with its frescoes by Mattia Preti depicting the life of St. John the Baptist. Here you will have the opportunity to admire the masterful oil paintings of Caravaggio, "The Beheading of Saint John the Baptist" and "The Writing of Saint Jerome". Free time is the perfect opportunity to explore the capital of Malta. As he walks the cobblestone streets, the visitor understands why Valletta has been officially recognized by UNESCO as a World Heritage Site since 1980. In the heart of the city, you can also visit Casa Rocca Piccola, the 16th-century palace and home of the noble Maltese dePiro family, where the chivalrous history of the island will come alive before your eyes. Our visit to Valletta will conclude with a 5D Malta Experience audiovisual show. This is a video where we will learn about the history and culture of Malta in a short time, while the moving seats, water spray, air blasts, etc. create a unique experience for all ages. After the tour ends, free time.

#### Day 3: Malta ( Mosta- Mdina- Rabat)

It could be just another of the country's many historical landmarks, if its architectural uniqueness hadn't made it internationally known. The Cathedral of Mosta has the largest unsupported dome in the world! Somewhat like this, in our today's tour we will admire inside and outside the church a phenomenon that attracts locals and tourists. Later, ascending the hill of Rabat, an extensive, labyrinthine system of 2,340 square meters of underground tunnels and tombs dating from the end of the Phoenician period unfolds before us. The Catacombs of St. Paul (optional entrance to the Catacombs) were used by early Christians as underground cemeteries, and it was also a refuge for those who converted to Christianity after the Apostle Paul was shipwrecked in Malta. The whispers from the past create a lot of exciting stories. The picturesque streets, filled with historical beauty and breathtaking views, make our visit to the "silent city" Mdina unforgettable. Free time and return to the hotel.

## Day 4: Malta (Vittoriosa- Marsaxlokk) – Athen

After breakfast, we will visit Vittoriosa. Here we will see the church of St. Loredzo, 16th century, and many houses that have remained from the time of the Knights of St. John. Next, we will visit Marsaxlokk, the largest fishing village in Malta. Here, you can wander around the market, have lunch, drink your coffee, or just relax and watch the colorful fishing boats.

Later, transfer to the airport. Another journey has come to an end. We renew our appointment and depart richer in travel experiences for the airport in Malta.
